

Christopher Bir Memorial Scholarship

This scholarship has been established in the name of Christopher Bir. Christopher passed away after a 4 month battle with colon cancer. He was 20 years old. A 2013 graduate of Plymouth High School, Christopher was active in the P-CEP Choir and his love for choir and his choir friends could be seen on his face in every rehearsal and performance. Upon his passing, the Bir Family's desire was to continue Christopher's legacy and love for choir by establishing a scholarship. The Christopher Bir Scholarship is designed to give students who wish to further develop their vocal or piano education and love for music the opportunity to study and grow, thereby positively impacting those around them for years to come. We would like to honor Christopher's memory by helping others in the Plymouth-Canton Choir gain a life changing experience through private vocal or piano lessons.
